# *About Vigilant Woodworks*

## **Our Mission**

Vigilant Woodworks' mission is to create a legacy of enduring quality, skilled craftsmanship and excellent design in all of our specialty wood products. We design and manufacture the highest quality wine, cigar, gun and fly rod storage products in the world, made from the most beautiful wood species available. Our pledge to our customers is to back each and every Vigilant product with industry-leading customer service and product knowledge. All of Vigilant's products are 100% guaranteed.

## **The Vigilant Name**

For over 130 years, the Baltimore Clipper Schooner *Vigilant* proved to be one of the most reliable commercial sailing vessels ever built. For the people at Vigilant, it represents our ever-present attention to detail and a commitment to producing quality products that stand the test of time. We have adopted this name, Vigilant, to assure our customers that we are conscientious in every aspect of our business. Most importantly, we are dedicated to our customers' satisfaction.

## **Company History**

Vigilant Woodworks was founded in early January 1995 by company president Charlie Griffiths in his Portsmouth, New Hampshire garage. Although the company's origins were in cigar-cabinet building, as the company grew, the product line grew with it. In 10 years, the business expanded from two employees to almost 40 and now manufactures cigar cabinets and humidors, cigar display cabinets, humidor electronics, wine racking and custom wine cellars, wine cellar design, wine cellar doors and fine sporting equipment cabinets for clients across the United States and abroad. Our skilled woodworkers also provide custom millworking for New England building projects.

Vigilant Woodworks is now headquartered in Dover, NH, surrounded by the beauty of the Seacoast region of New Hampshire. The company's slogan is, "Protecting your passions," and Vigilant is dedicated to fulfilling this promise for the benefit of customers and enthusiasts of fine products worldwide.

We have been a **Better Business Bureau Accredited Business** since 2006 with a rating of A+.

## *Specialty Cabinetry and Millwork*

### **Our Products**

All of the cigar humidors, wine cellars, and gun cabinets that are labeled with the Vigilant trademark are made with the highest quality materials, craftsmanship and technology available. We manufacture our products on the Seacoast of New Hampshire where a legacy of strong values and dedicated employees allows us to deliver to our customers some of the finest wood products in the world.

Since 1995, it has been our mission to carry on that legacy of enduring quality in craftsmanship and design in the making of our wine cellars, wine racks, cigar humidors and sport cabinets.
