

Key Features

- Fully Ducted System
- Virtually silent operation
- Advanced electronic control system
- Liquid bottle probe
- Humidity control 60 - 70%
- Energy saving mode
- Alarm capabilities
- Flexible installation
- 55°F temperature differential

Features

The Fully Ducted Water-Cooled Split System reduces noise for an already virtually quiet unit. A fully ducted option gives you the highest degree of installation. The unit is equipped with our Platinum Series controller utilizing Advanced System Protection Technology. This features a series of strategically placed monitoring probes, which insure efficient performance and long cooling unit life. The controller is easy to operate and has features such as adjustable humidity control, energy saving modes, quick chill mode and anti-frost function. To achieve a virtually silent operation in the cellar, the evaporator may be installed up to 25 duct feet from the room. Built-in Humidity Option includes a humidistat, and will deliver moisture to cellars that are prone to dry and arid conditions.

Specifications

Model	4000WC	8000WC
Cellar Size	1000 cu. ft.	1750 cu. ft.
BTUh @ 55°	4715	
CFM	200	
Dimensions	Evaporator: 23.75"W x 15"H x 22.5"D Condenser: 12"W x 13.5"H x 18"D	
Refrigerant	R-134a	
HP	1/2	
Voltage Rating	110V or 220V - 20 amp dedicated circuit required	
Weight	Evaporator: 57lbs / Condenser: 66lbs	
AMPS (starting/running)	Evaporator: 2/1 Condenser: 15/10	
dBA	Evaporator: 54 / Condenser: 65	
Ducting	8" Supply / 10" Return	
Insulated Line Set	1/2" Suction 1/4" Liquid	
Water Line	3/8" OD	
Drainline	1/2"	
Installation	Evaporator can be installed up to 25 duct feet from the cellar; condenser is installed up to 100 line feet away and with the installation specifications found in the owners manual. Allow for adequate airflow.	
Thermostat	Digital Control Display	
Temp. Delta	55°F temperature differential (maintains proper cellar temperature when exhaust environment does not exceed 110°F)	
Warranty	2 year parts and labor	

Optional Accessories

Exterior Condenser Housing, Built-In Humidity Option
