

Why Vigilant Wine Cabinets?

Attention to detail, mechanics, and craftsmanship all go into designing Vigilant's bespoke wine cabinets. With over 27 years of experience, we've mastered the complexities of creating a functional climate-controlled wine cabinet that is also beautiful and stylish.

Vigilant cabinets ship preassembled, eliminating the hassle and mess of traditional wine cellar construction

Less expensive than a traditional wine cellar

60% more energy efficient than a traditional wine cellar

Customize with existing décor and millwork

Multiple temperature zones for wine type

Handcrafted in New England

Lasting Quality

Finest Materials

Schedule a consult today!

Incorporates seamlessly into existing entertainment spaces, keeping wine close by.

Design your interior: Adjustable display or pull-out shelves, contemporary metal displays, individual and bulk storage options.

Space saving solution that elegantly showcases your wine.

Testimonials

My expectations were blown away. The quality and craftsmanship is amazing. All my dealings with Vigilant were top notch. From my initial call to discuss what I was looking for, to the design and planning, delivery, and even a recommendation for an installer was spot on. I couldn't have asked for better customer service and a better end result. I am very happy with my decision to hire you guys.
